No. 3249. Dated 25th Febl 1913 Received 27/2/13

Diary No. 3365	Enclos. 1	Spare Copies.	Serial No. 6

BRIEF ABSTRACT OF LETTER.

For disposal, a petition presented on 20.2.'13 by the Udevar Bros. viz/ Puttanna 2) Hirigowda 3. A Hirigowda & Patel Annegowda, praying that same concessions as were shown to Messrs T. Osman Saheb, Malali Kalappa & Naragod Appaji Gowda, other indebted members of the late Agricultural bank at Sakleshpur may also be extended to them i.e. they may be granted remission of interest & permitted to pay the principal in 10 annual instalments. They also pray that each of them may be freed from joint liability and held liable to the extent of his share.

NOTES AND ORDERS.

(1) The facts of the case connected with the Udevar Brothers as indebted members of the Agricultural Bank at Sakleshpur are given in the Banking File No. 3-07.

P 2. The petitioners had applied for the same concessions in their petition dd 8.11.09 addressed to His Highness

but were informed that the grant thereof depended solely on the strength of the report of the Dy Commissioner, Hassan Distt.

3 The Petitioners refer to the cases of Messrs T. Osman Sah, M. Kalappa & Appajigowda other indebted members of the bank.

Paper under disposal-

The case of Mr. T. Osman Sah is contained in the Banking File No. 11 of 1908 and it is the first of the kind.

In the cases of Messrs M. Kalappa & Appaji Gowda, both the Dy Commissioner, Hassan Dt. & Mr. Silkington recommended the grant, the estates had been well kept & there was punctuality in the payment of the instalments due. These members were likewise excused from payment of interest so long as the instalments were punctually paid.

4. In the case of the petitioners ~~the Akrakand~~, the estate mortgaged to the bank came under the management of the bank with the sanction or approval of Govt in the year 1904 and after the bank was wound up in 1905, it came under the management of Govt. A portion of it consisting of 120 odd acres was sold by public auction for Rs 11,926-13-8 and the unsold portion consisting of 100 acres cultivated & 120 acres waste

was restored to the petitioners in shares in accordance with the recommendations of the D[t] Comm[r], Hasan D[t] & the Rev Comm[r].

V.

5 The estate while in the hands of the petitioners suffered from neglect on account of family quarrels and later on while under the management of the bank & Govt from the bad supervision of the European Supt (as alleged by the petitioners themselves in their previous petition of 8.11.09).

P

6. The approximate value of the estate now in the hands of all the 4 brothers is Rs 9400 for the 100 acres of cultivated area and 600 Rs for the waste land consisting of about 120 acres or Rs 10,000/- and the loan outstanding is Rs 36,193 towards principal as stated in the petition.

7 The question of relieving each of the brothers from the joint responsibility in respect of the debt has already been considered Govt have recognised the shares being separately held in terms of the partition deed & the instalments being separately & proportionately paid by the brothers without any prejudice to the right of Govt to make the petitioners jointly & severally responsible &c.

8 From a reference to Mr. Pilkington's letter of 27th Oct 1907, it may be seen that the Dewan was once of opinion that Govt would be inclined to accept principal & remit interest, if paid up at once. This opinion was not acted upon as the petitioners were never in circumstances to pay up.

It is a matter for consideration whether the present petition should not be sent to the Dy Comm. for report.

(47) the concessions ~~loan~~ granted to Messrs Usman Khan, Appaji Gauda, & Kalappa were based on two main Considerations:—

1st. they had been paying the greater portion of their ~~loan~~ annual instalments regularly since the winding up of the bank, ~~and thereafter~~ both towards principal & interest.

2nd. there was a very reasonable chance of their fulfilling their obligations and repaying the principal, as one on the date of the winding up of the Bank, if the claim for accumulated and current interest were waived.

(48) But in the Case of the Kadewar brothers, neither Consideration appears to the present to a certain and appreciable degree.

(49) The original loan granted by the Bank was Rs 75,000/— and up to the date of the winding up of the Bank, no part of the principal had been repaid ~~before~~.

8) There are two courses open:-

(1) To allow the petitioners to pay the principal in 10 years (Government foregoing interest); in this case the present value of Rs. 6516 paid every year for 10 years will be about Rs. 52,000.

(2) To sell the properties in public auction; by this a sum of about Rs. 42,000 may be realised.

8) I am of opinion that the latter course is financially acceptable though Government may lose some thing (viz., about Rs. 10,000). The former course suggested by the Deputy Commissioner as the only -- possible course cannot be recommended as there is no certainty of the debtor paying the instalments.

9) Strict enforcements of contracts in a few cases will serve as a warning to other debtors and dispel the prevailing impression that Government -- loans

Sir, In my humble opinion the views of Mr. Krishna Iyer who knows the conditions of the ryots in detail both in the Kadur and the Hassan Dts is likely to be more correct than that of Mr. Venkata Rao. He says that from the experience gained by the auction sales of the estates of some other members also by the order of Court I am afraid that Court will not get even one-fourth of the principal amount due by them if tenders are called for. It is very doubtful if the estates are sold whether they would fetch between Rs 40 & 45 thousand. If default is made in the payment of any instalment

I am inclined to agree with the Secretary A.G.I, and to accept the recommendation of the D.P.C., which is really more favourable to Govt than an enforced sale while also giving the debtors an opportunity of redeeming their holdings.

Subject:—

Question of the grant of concessions prayed for by the Udewar brothers of the Coffee Estates mortgaged to the Agricultural Bank at Saklespur-Manjarabad Taluk.

---

*Y Government ordered in June 1908 the restoration to the Udewar brothers of the unsold portions of the Coffee Estate mortgaged to the late Agricultural Bank at Saklespur, Manjarabad Taluk, under Government management, on condition of each of the brothers punctually paying in annual instalments his portion of the debts.

*Z 2. The members of the family now represent their inability to liquidate the debt as the price of Coffee has gone down, and pray that the whole amount (including interest) paid by them viz., Rs.10,787-14-7 may be credited towards the loan, that they may be released from joint liability for the loan, that they may be allowed to repay the balance of Rs.65,160/ in ten annual instalments, that they may be excused from paying the interest and that in default of regular payment they may be made liable for the interest also.

Papers under disposal I

3. The Deputy Commissioner of Hassan states that he is not in favour of releasing the petitioners from their joint liability but recommends the other requests of the petitioners.

*Pages 24 & 25 of office notes

4. The Financial Secretary is in favour of selling the Estates in auction and against granting further concessions to the petitioners.

7

5. But as experience of public sales of coffee estates point to the possibility of only a very small fraction of the entire amount being realised, I agree with the late* Second Member Mr.Chandrasekhara Aiyar that the Deputy Commissioner's recommendation may be accepted.

Government through the late Agricultural Bank. At the time of restoring the estate there was a balance of Rs. 81,530-1-0 outstanding against them as detailed in the margin.

2. After the death of the two elder members of the family Viz: Messrs. Baswegowda and Dyavappagowda the marginally noted four members petitioned the Amildar of the Manzerabad Taluk on 10th. October 1910 stating that they were unable to pay the debt as the price of coffee went down and praying that the whole amount paid by them be ordered to be credited towards the loan and that they may be allowed to repay the balance of the loan in ten annual instalments as was ordered by Government in their Proceedings No. Fl 4341-3/B 11-08 dated 27th. March 1909 with reference to the case of Mr. T.Usmansab a member of the late Agricultural Bank, and that their joint liability be removed. On the 7th. November 1910 they presented a similar petition to the Deputy Commissioner. - This petition was sent to the Assistant Commissioner, Saklaspur Sub-Division for report with his opinion after record of the statements of petitioners. Accordingly a statement was recorded before the Amildar of Manzerabad Tal on the 8th. February which was signed by all the above named Estate owners.

1. Mr. U.B.Puttaniah.
2. ,, Hirigowda
3. ,, Annegowda
4. ,, U.D.Hirigowda

3. The Assistant Commissioner in submitting the above mentioned statement with the entire records connected with this matter, stated that he was not in favour of exempting these members from their joint liability, that the whole amount paid by them up to date might be credited towards the principal as was being done in the case of Mr. T.Usmansab and that they might be allowed to pay up the balance of the loan in ten annual instalments as prayed for by them.

4. But as these members were not regularly

paying

paying their annual instalments of loan and accumulated arrears of interest and the current interest on their loan, I returned the records to the Assistant Commissioner, Saklaspur to take necessary steps for recovering the arrears due by them and to inform them that their prayers could not be recommended to Government until payment of the arrears of instalments due by them up to end of the Official year 1911-12.

5. In response to the notice given to them in terms of the above order they gave a statement before the Amildar to the effect that they were unable to pay up the arrears in full and that if they be allowed to repay the balance of the loan under the conditions mentioned in para 2 supra, they would clear off the entire debt in ten annual instalments.

	Loan.	Interest.	Total

Total	547 -7 -3	9,887- 7- 4	10,434-14- 7

6. Since the time the Udewar estate was restored to the owners in their respective shares a sum of Rs. 10,434-14-7 as detailed in the margin was paid by all the four members up to the end of the offl. year 1913-14. It may be seen from these figures that though the full amount including interest paid by them be credited towards 1/20th. of the principal of the loan (which is the prescribed annual instalment) it is not sufficient to cover the total demand of instalments of principal due up to the end of the year 1913-14.

7. The balance outstanding as per accounts kept in this office against the four members of this family up to the end of the official year 1913-14 is as shown in the margin.

8. These gentlemen have represented that if Government were to show concessions similar to those ordered in favour of Messrs. T.Usmansab, M.Kalappa and K.Appajigowda they will pay up the balance of the principal of the loan amount due by them in ten annual instalments.

9. Although it is not possible to release the petitioners from their joint liability concerning the loan, considering the present adversity which this family is subjected to, the petitioners may be graciously given an oppotunity of discharging the balance of the principal of the loan in ten annual instalments under the conditions ordered in the case of Mr. T.Usmansab (vide Government Proceedings No. Fl 4341-3/B11-08 dated 27th. March 1909), and in the cases of Messrs. M.Kalappa and K. Appajigowda (vide Government Proceedings No. Fl 2239-40B. 3-10-2 dated 7th. November 1910).

10. The petitions received with your letters No. Fl 2094/B10-12 dated 13-11-13. and No. Fl 5845/B 10-12-8 dated 10-6-14. noted in the margin are herewith submitted.

I have the honour to be,

Sir,

Adverting to your letter No.481/B.10-12, dated 14th July 1916, enquiring (1) what amount has since been paid towards principal and interest by the Udewar family and (2) what amount could be recovered if they were to be permitted to pay the dues in ten annual instalments without any interest, I have the honor to enclose a statement showing the amount recovered from this family from 1913-14 up to end of 1915-16. It may be seen from this that only a small sum of Rs.354-0-6 has been recovered to-wards part payment of interest during 1914-15 from the three members of this family. Nothing has been recovered from any of them either towards principal or interest during 1915-16 as the amount realised by the sale of the crops of the Estates was not even sufficient to pay the kandayam of the estates.

2. While the orders of Government are awaited on the recommenda-tion made in this office letter No.10, dated 6th January 1915 in the matter of allowing them to repay the principal in ten annual instalments they have petitioned the Dewan praying that they may be allowed to compound with Government as per Government Order No.Fl.3529-33/B.3-07-17, dated 16th January 1908, which petition has been sent to this office for disposal with your No.7444/A&l dated 22nd June 1916.

3. From the experience gained by the auction sales of the Coffee Estates belonging to the marginally noted members which were also hypothicated to Government for the loans obtained through the late Agricultural Bank, I am afraid that Government will not get

get even one fourth of the principal amount due by them if the tenders are called as per their last prayer as the Coffee market is going down year after year and as the surviving members of this family have allowed the estate to deteriorate owing to family quarrels among themselves.

4. For the foregoing reasons, I am of opinion that the only possible course is to make this family to pay up the principal amount in ten annual instalments without interest as recommended in this office letter No.10 dated 6th January 1915. The annual instalments payable by all the four surviving members of the family amount to Rs.6516-1-0.
